SPECIAL INFORMATION DUE TO COVID-19

Due to the COVID-19 Pandemic we will be modifying our Homecoming Celebration and apologize for any inconveniences you may experience in advance. It is our plan to have a small service, a candle lighting (memorial) service, and special music. Due to current health recommendations and guidance provided by the federal, state and local governments we have decided to limit the number of attendees in the building and likewise we will not serve food. We will have beverages (pop, coffee, and water) available, along with tents and tables outside for families to gather. Families may bring their own food as well. We are asking our normal out-of-town attendees to not attend this year as well as anyone who currently has or has had any symptoms of COVID-19 within last two weeks prior to the Homecoming or has traveled to any "hot spot" or has been exposed to any individual with COVID-19 in the last two weeks.

This is an effort to reduce the risks to all those present.

We pray, Lord willing, we will return to normal homecoming festivities next year.
