

We are Thankful

We are so thankful that God has allowed us to return to regular worship and fellowship with Him and other believers. We thank Him for His comfort and protection during this pandemic. We understand the impact the virus has had on many including individuals who now may have chronic medical conditions as a result and especially the loss of many loved ones, friends, extended family, church members, etc. both locally and across the Country. Please continue to pray for those affected by the virus and those who continue to suffer. Thank you for your faithfulness.

God bless you and your family.
